	Saints punt	+100/-105	2	

# Super Bowl XLIV

Indianapolis Colts vs. New Orleans Saints

February 7, 2010

Prop #		Odds	Answer
52.	Will Indianapolis convert a 4th down attempt?		
	Yes	+135/-100	1
	No	+100/-170	2
53.	Player to Throw First Touchdown Pass		
	Drew Brees	+130/-100	1
	Peyton Manning	+100/-160	2

The contest will work as follows. Using the wager sheet, mark on the entry form next to the applicable question number who you think will win each individual proposition. Each proposition has a different payoff. Example: #27 "First Score is a Touchdown" If you wager that the first score is a touchdown, you can you can lose \$250 or win \$100. If you wager the first score is not a touchdown you can lose \$100 or win \$190. For wagers with odds (i.e., 12-1), the payoff depends on the odds. 12-1 on a \$100 bet will lose \$100 and win \$1,200. 7-2 odds on a \$100 bet will lose \$100 and Win \$350. Lastly, 1-2 odds will win \$100 and lose \$200.

Each contestant will contribute \$25 and the payoffs will be (5th-\$25, 4th-\$25, 3rd-15%, 2nd-25%, 1st-60%). Rankings will be based on the net amount won. Every bet is for \$100.

Return the sheets to me by Friday and I'll have everyone's picks on the internet before the game.

Good Luck!
